Anti-Harassment Policy

The College maintains a strict policy prohibiting harassment or discrimination based on age; race; color; national origin or nationality; ancestry; religion; creed; physical or mental disability; sex; gender; gender identity or expression; sexual orientation; genetic characteristics or information; marital, civil union or domestic partnership status; veteran or military status, and any other basis protected by applicable federal, state, or local law. All such harassment is prohibited. The College's anti-harassment policy applies to all employees, students, executives, officers, Trustees, Foundation Directors, independent contractors, visitors to the College and third parties.

The College's anti-harassment policy applies throughout the campus, exterior locations, online and to all college activities. If harassment occurs by someone not employed by or enrolled at the College, the procedures in this policy should be followed as if the harasser were an employee of the College. If such is the case, the College will strive to be sensitive to such concerns. No one at Warren County Community College should feel obligated to tolerate harassment in any form. Warren County Community College will act to eliminate harassment in the workplace and on the campus. Persons who engage in prohibited harassment are subject to disciplinary action, up to and including possible termination. Anyone who has witnessed or who is a victim of alleged harassment should immediately report the matter to the Human Resources/Title IX Office or Student Services Office in accordance with the Complaint Procedure for issues of possible discrimination or harassment (see below).

The College recognizes that as an academic institution devoted to the pursuit of academic learning, there may be instances where exposure to sensitive topics relating to the above protected characteristics may occur, such as in art, sociology, history, and other classes. The College maintains an open-door policy with respect to student and faculty concerns relating to such topics and strives to fulfill its academic mission in a professional manner.

No Sexual Harassment

All persons are prohibited from engaging in sexual harassment at Warren County Community College. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and exposure to visual, verbal or physical conduct of a sexual nature. Sexual harassment also exists when (1) submission to such conduct is made either explicitly or implicitly as a term or condition of an individual's employment or enrollment, (2) submission to or rejection of such conduct by an individual is used as the basis for decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's academic or work performance or creating an intimidating, hostile, or offensive workplace or campus environment.

The following examples are a partial list of the types of conduct that may constitute sexual harassment (depending on the circumstances):

- Unwelcome/unwanted sexual advances
- Propositions or requests for sexual favors
- Repeated unwelcome requests for dates

It is unlawful for males to sexually harass females or other males, and for females to sexually harass males or other females. Sexual harassment is prohibited whether it involves a co-worker, student, instructor, supervisor, manager, trustee or by persons doing business with or for the College.

Report All Forms of Discrimination or Harassment

Everyone has a responsibility to maintain a workplace and campus free of any form of discrimination or harassment. Anyone who believes he or she has witnessed or is being subjected to discrimination or harassment on campus or at a College activity should immediately report the matter to a supervisor/manager or Human

Resources/Title IX Office in accordance with the Complaint Procedure below, or in any other manner reasonably calculated to inform the College.

Complaint Procedure – Discrimination or Harassment

Maintaining a harassment-free workplace and campus requires the cooperation of all individuals. It is very important for all persons to report to the College any workplace or campus conduct they believe is improper regardless of the identity of the alleged harasser or whom the harassment is directed at.

To encourage persons to bring forward any concerns they may have about possible discrimination or harassment, the College prohibits retaliation against anyone who makes such a complaint or who is involved in the investigation of such a complaint. Persons who believe they have suffered or witnessed retaliation must report the matter immediately to the Office of Student Services or Human Resources/Title IX Office. Anyone who engages in retaliation is subject to disciplinary action, up to and including possible termination.

The College's complaint procedure provides for an immediate, thorough, and objective investigation of any discrimination or harassment claim, appropriate disciplinary action against one found to have engaged in prohibited harassment and appropriate remedial action.

Persons who believe they have been harassed or discriminated against in the workplace or on campus, including by persons doing business with or for the College, should provide a written or oral complaint to Human Resources/Title IX Office as soon as possible. The complaint should include details of the alleged incident(s), names of individuals involved, and the names of any witnesses. The Office of Student Services must immediately refer all harassment complaints to the Human Resources/Title IX Office.

Investigation Procedure

All complaints of possible discrimination and/or harassment will be treated seriously and promptly investigated, even if the alleged victim expresses a desire that the College not investigate. That is the law. The investigation will be as confidential as possible, consistent with the need to conduct an investigation. The College will immediately undertake or direct an effective, thorough, and objective investigation of the discrimination and/or harassment allegations.

All complaints of harassment and discrimination should be promptly reported to the Human Resources/Title IX Office for investigation or referral to the President, Board of Trustees Chairperson or Vice Chairperson, as outlined here:

- Complaints of harassment against the President will be referred by HR to the Board of Trustees Chairperson and Vice Chairperson for investigation with qualified outside counsel.

- Complaints of harassment against a Board of Trustees member will be referred by Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer /Title IX Coordinator to the President. The President will report the complaint to the Board of Trustees Chairperson or Vice Chairperson (in the event of conflict) for investigation with qualified outside counsel.
- Complaints of harassment against a College Official or a Human Resources Official will be referred by the Office of Student Services to the President for investigation with qualified outside counsel.
- All other complaints of harassment will be referred by Student Services to the Human Resources/Title IX Office for investigation.

All investigations shall be conducted as soon as is practicable, and reported for appropriate action, if any, pursuant to applicable personnel policies and student conduct codes. The investigator shall interview the complainant, the person alleged to have engaged in a violation of this policy and any other persons who witnessed the alleged conduct or similar conduct forming the basis of the complaint. The investigator shall make written factual findings and credibility assessments, and then forward a report to the College attorney or Chairperson of the Board of Trustees (or Vice-Chair in the event of conflict) or President for legal counsel and evaluative assessment. A special emergency session of the Board may be convened to determine appropriate disciplinary and remedial action, if any, subject to applicable notice, personnel policies, procedures, and regulations. All investigative materials are deemed confidential and are not subject to disclosure, except as otherwise required by law.

The investigation will be completed and a determination regarding the allegations will be made and communicated to the person who complained and the accused party.

Disciplinary or Other Remedial Action Where Discrimination or Harassment is Found

If the College determines that discrimination or harassment has occurred, the College will take effective remedial action commensurate with the circumstances. Appropriate action may be taken to deter any future wrongful conduct, as well as future monitoring of any individuals alleged to have violated the policy.

If a complaint of discrimination or harassment is substantiated, appropriate disciplinary action, up to and including termination, will be taken. Whatever action is taken against the accused party will be communicated to the person who complained.

False Claims of Harassment or Discrimination

Anyone who makes an intentionally false claim of harassment or discrimination will be disciplined according to College policy, up to and including termination.

No Retaliation

The College will not tolerate retaliation against any individual because he or she has made a good faith complaint of harassment or discrimination to the College or has filed a charge, testified, assisted, or participated in any manner in an investigation,

proceeding, hearing or litigation under federal or state discrimination statutes or at other hearings regarding protected civil rights. The College also prohibits retaliation against someone closely related to or associated with the person exercising such rights. Examples of retaliation may include, but are not limited to, hostile conduct toward an individual who participated in protected activity. Such conduct includes, but is not limited to, verbal or body language which is threatening or expresses or suggests disapproval or hostility; failure to cooperate in workplace procedures; or sudden unfounded disciplinary action not based on actual job or academic performance. If you are unclear as to what kind of activity may be prohibited retaliation, contact Human Resources immediately.

The College's Complaint Procedures provides for an immediate, thorough and objective investigation of any claim of unlawful retaliation because of opposition to alleged discrimination or participation in a proceeding regarding alleged employment discrimination. If you believe that you have been retaliated against because of your opposition to a practice you reasonably believe to be discriminatory or because of your participation in a hearing or proceeding regarding alleged unlawful discrimination, you should provide a written or oral complaint to Human Resources as soon as possible. Your complaint should be as detailed as possible, including the names of individuals involved, the names of any witnesses, and any documentary evidence.

All complaints of prohibited retaliation which are reported to management will be investigated. The College will immediately undertake and direct an effective, thorough, and objective investigation of the retaliation allegations. The investigation will be as confidential as possible, consistent with the need to conduct an investigation. The investigation will be completed and a determination regarding the alleged retaliation will be made and communicated to the person who complains and to the person(s) accused of retaliation.

If the College determines that an individual has suffered adverse action in retaliation for opposition to alleged employment discrimination or participation in a proceeding related to alleged discrimination, the College will take effective remedial action appropriate to the circumstances. The College will also take action to deter any future retaliation. If a complaint of unlawful retaliation is substantiated, appropriate disciplinary action, up to and including termination, will be taken. Whatever action is taken against the person responsible for the retaliation will be communicated to the person who complained.

When incidents of sexual harassment and/or sexual violence, domestic violence, stalking, and dating violence occur and are reported to campus security authorities, WCCC will take immediate and effective steps to end sexual harassment and sexual violence, including but not limited to contacting the police. In addition, retaliation against individuals who report sexual harassment and/or sexual violence and/or who participate in college conduct hearings will not be tolerated and will be addressed through the College's judicial process. Retaliation includes, but is not limited to: intimidation, threats, coercion, and/or discrimination perpetrated directly, indirectly, and/or through third parties, which involves any type of media, social media, texting, emails, and/or other electronic communications, etc.

Questions about WCCC's Anti-Harassment Policy and Title IX procedures can be directed to the Human Resources Director / Title IX Compliance Officer, at, 908- 835-2356. The office is located in Room 125 on the Washington campus.

Community members will be held accountable for actions involving any

violations of the domestic violence statutes. When notified, the College will comply with any protective, restraining orders or other court orders.

- Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim where the relationship is determined by consideration of length of relationship, type of relationship, and frequency of interaction.
- Stalking: Course of conduct directed at a specific person that would cause a reasonable person to fear for safety of self or others or suffer substantial emotional distress. Stalking behaviors are sometimes characterized as persistent and frequent unwanted in-person contact, surveillance, and unwanted telephone or other electronic contact.
- Consent: Voluntary, positive agreement between the participants to engage in specific sexual activity.

Victims often have difficulty reporting sexual violence for numerous reasons such as knowing the perpetrator, fear of retaliation, fear of parents knowing about the incident, and/or fear of getting in trouble with law enforcement. Despite these concerns, it is vital to report such incidents.

All College administrators, faculty, staff, and employees are compelled to report any alleged incidents to the Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer /Title IX Coordinator. In the case of an immediate emergency, contact Campus Security at (908)835-2455.

General Informational Guidelines for Victims of Sexual Violence

The following information provides guidelines to follow should sexual violence occur.

- Get to a safe place as soon as possible.
- Try to preserve all physical evidence – The victim should not shower, bathe, or wash any part of your body. Do not use the toilet or douche. Do not change clothing, brush your teeth or gargle, or comb your hair.
- Seek medical attention. If you were sexually assaulted, your healthcare provider can provide additional guidance to assist you. You also can have evidence collected at a hospital emergency department. Evidence collection should occur as soon as possible.
- Request an advocate. An advocate will provide information about resources and options for reporting the crime, seeking medical care, counseling, and other services. Advocacy Services are free and confidential and are available 24 hours a day, 7 days a week. Advocates

are available through the Domestic Abuse & Sexual Assault Crisis Center of Warren County at 908-453-4181 or 866-6BE-SAFE [623-7233].

- Contact the police – Sexual assault, domestic violence, dating violence, and stalking are crimes. It is vital to report it. It is important to remember that reporting a crime is not the same as prosecuting the crime. The decision to prosecute may be made at another time. Final decision to prosecute is determined by the County Prosecutor.

Resources to Assist Victims

In the case of sexual assault, domestic violence, dating violence or stalking incident(s), a victim is encouraged to access the following support services:

1. WCCC Campus Security at 908-835-2455(Washington) or 908-878-0202(Phillipsburg): This office will immediately contact the local police. The local Police will take immediate and appropriate action to investigate any allegation of sexual assault and, if evidence exists, will take appropriate action to end the sexual violence and prevent its recurrence. In cases requiring urgent measures, victims should contact the local police by dialing 9-1-1. Ensure that the victim is in a safe and secure environment and encourage him/her to preserve all physical evidence. Even if the allegation is deemed not subject to a criminal investigation, the College will initiate its policies and procedures regarding any complaints. Campus Security/Campus Operations and Student Services are available for consultation and/or support with regard to questions concerning procedures and services that are available for sexual assault/violence victims. Campus Security are available to provide escort services to victims who are victims of sexual assault/violence, upon request of the victim.
2. Medical Attention: If the alleged abuse or assault occurred within the last seventy-two hours, encourage the victim to seek medical attention at a nearby hospital. This step is important, so that s/he receives proper assessment and treatment of any physical injuries sustained in the assault.
3. Counseling/Advocacy Services: The Domestic Abuse & Sexual Assault Crisis Center of Warren County is available to students to provide confidential counseling services at DASACC Hotline 908-453-4181 or 866-6BE-SAFE [623-7233].

The WCCC Standards of Community Conduct applies at all college campuses/locations and may also address off campus student misconduct when a student's behavior affects a substantial college interest. Violations of college conduct policies are adjudicated in accordance with the Non-Academic Conduct Grievance Policy.

Reporting A Claim of Sexual Assault/Sexual Violence or Domestic Violence

Should a claim of sexual assault be reported to Campus Security, that office will contact and refer the information to local law enforcement as necessary.

Students or members of the community may report a claim or allegation directly to the Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer Director/Title IX Coordinator, Barbara Pratt at (908) 835-2355. Her office is located in Room 116 on the Washington campus.

If there is reason to believe that a student has sexually assaulted another person and the College has sufficient information to file a student conduct referral, action will be taken within the student conduct system, regardless of whether the case is pursued by the victim or under state, criminal, or civil codes.

The Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer /Title IX Coordinator, in conjunction with the Public Safety Coordinator, will lead the investigation with other college employees for any violations of sexual assault/sexual violence. These individuals will use appropriate resources, to document and investigate the matter. Students found in violation of the College's Sexual Assault/Sexual Violence Policy also may be assigned developmental and educational interventions designed to promote greater awareness, improved decision-making, and to further deter future misconduct.

In instances where there is reasonable cause to believe a student is an immediate threat to the safety of himself/herself or other persons or property or is an

immediate threat to disrupt essential campus operations, the Vice President for Student Services may implement an Interim Suspension of the student.

All reports of sexual assault/sexual violence will be treated with confidentiality and respect for the privacy of the reporting individual(s). Information concerning student conduct proceedings including the outcome of any student conduct hearing related to violence shall be available to the victim at the same time the information is provided to the alleged perpetrator.

Although students are allowed to change their program of study at any time, they are encouraged to meet with an Academic Advisor to discuss any change in their academic plan. Change of major forms are processed before a term begins and after a term ends.

Complaint Procedure

Warren County Community College is committed to providing an environment encourages open and effective communication and respect for all members of the college community. From time to time disputes may arise that need resolution. In these instances, WCCC encourages all students to first direct the concern to the individual or department/area with whom the concern resides. Students should stop by the Office of Student Services or the Office of Academic Affairs if they have a question as to who should be contacted about a concern.

Most concerns should be resolved through an open, honest dialogue between the persons involved. In cases where that may not be possible, the Student Complaint Procedure can assist in facilitating a resolution.

Definition of Student Complaint

A complaint is a student initiated complaint about the treatment of the student by an employee or contractor of the College. The Student Complaint Process can be used when the concern **does not** fall into one of the current complaint/appeal categories:

In order that a timely resolution can be made in this matter, the form should be submitted within 5 business days of the incident or activity.
- 2) The Board Recording Secretary or designee shall submit an acknowledgement to the Complainant within 3 business days and indicate either a) a resolution to

- the process or b) the next step in the process for a resolution and a projected timetable.

Copyright Policy

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, at its discretion, also assess costs and attorneys’ fees. The full Copyright Policy can be found [here](#).

Disability Services

The Disability Services Office is committed to assisting students with disabilities reach their personal and educational goals by ensuring equal access, providing reasonable accommodations and support services to participate fully on campus.

Students may request support from the Disability Services Office as soon as they apply to the College. We recommend students start this process before the beginning of the semester to allow sufficient time for review and advisement. Requests for academic accommodations are reviewed in the order in which they are received and may take up to two weeks.

If you have any access needs (learning, psychological and/or physical) that may prevent you from meeting requirements for study at WCCC under standard conditions, you may request appropriate academic accommodations. To receive an accommodation, written documentation of your disability should be submitted to the Disability Services Coordinator, who will review these documents to determine accommodations that are appropriate and consistent with medical documentation for your studies at WCCC.

The documentation that you submit should include the following:

1. professional evaluation and diagnosis of the disability
2. description of how the disability affects your ability to learn
3. suggested learning strategies that may assist you in compensating for the disability

The evaluation and supporting documents must be completed by a professional who is qualified to diagnose the particular disability (learning consultant, psychologist or physician). Students with disabilities that have a transient impact may be asked to provide updated documentation.

Warren County Community College provides reasonable accommodations unless they fall under one of the following categories: fundamental alteration, undue hardship, personal services, or due to an accommodation not being supported by documentation. Fundamental alteration would include an accommodation that reduces the academic standards of the College, its departments, or courses, or the College denies

A student already enrolled in courses may request academic accommodations at any time during the academic year or as soon as a disability is diagnosed.

It is the student's responsibility to request academic accommodations each semester by submitting a copy of that semester's schedule and the "Request for Accommodations" form to Student Services. All information provided to WCCC regarding the nature of your disability and need for academic accommodations is kept confidential. This information is filed separately from your general academic records and cannot be shared with instructors or any other individual without your written consent to do so. For further information, please contact Jeremy Beeler, Disability Services Coordinator, in the Student Services Office, Room 117, 475 Rte. 57 W, Washington, NJ 07882 or (908) 835-2300. The full College policy, #308 Services for Students with Disabilities, is available through the Office of Student Services.

Distance Learning

Distance Education credit courses rely on technology to deliver course content when the learner and instructor are not in the same place at the same time. Distance Education courses may be synchronous (in real time; simultaneous) or asynchronous (when students and instructor access the classroom at different times). Distance

education is distinct from hybrid courses, where the instructor and students have a regular meeting schedule (usually once a week) but rely on technology to deliver a portion of the course content. Students access distance education courses using the eLearning platform through My Warren.

In accordance with Federal Regulations, the College has established procedures to protect student privacy and prevent any academic misconduct. These are as follows:

- a) Students and instructors are only permitted access to classes for which they are enrolled.
- b) Users must submit both a unique user ID and a password in order to access their distance education classes.
- c) Instructors or academic administrators can monitor student use and disable a user's access to a class in the case of any suspected violation of academic policies or procedures.
- d) An instructor may specify in-person assessment(s) for distance education or hybrid courses, as long as these requirements are made clear in the section syllabus. All in-person assessments must be proctored by the instructor or an authorized college representative. No additional fees shall be charged to students for the proctoring of distance education or hybrid course assessments.

WCCC verifies that a student is actively attending a distance education course prior to the disbursement of federal financial aid. Because distance education courses do not include face-to-face contact between a professor and a student, it is necessary for the college to establish standards for determining attendance for purposes of financial aid disbursement. Attendance in online class shall be defined as active participation in course assignments, including the completion of papers, online postings, and exams. Students who do not post to the discussion board during any given week will be marked as absent for that week. Merely logging into an online educational system does not constitute attendance.

Students enrolled in a distance education class who have not completed a single course assignment/exam for the class, shall receive an NF grade (Failure to Withdraw/Never Attended). Students who have stopped actively participating in the class prior to the end of the semester shall be awarded an XF grade (Failure to Withdraw/Stopped Attending) and have a "last date of attendance" (or LDA) date recorded by the instructor based on the last date the student has posted to the discussion board. This LDA shall reflect the date the student's last assignment or exam was received by the instructor.

Any instructor or administrator concerned about the sharing, tampering or access to usernames, passwords, or distance education courses by unauthorized individuals shall report concerns immediately to the Vice President of Academic Affairs or his/her designee. This includes concerns regarding possible student fraud, plagiarism and/or other conduct specifically prohibited by college policy.

Students who are self-directed and highly motivated are most likely to succeed in online courses. Orientation training is offered at the beginning of each semester to assist students using the online software. Distance education students are encouraged to contact the Vice President of Academics, Dr. Marianne Van Deursen, at vandeursen@warren.edu or by phone at (908) 835-2430 for individual assistance with user access or navigation within the eLearning platform. Contact an Advisor in Student Services to discuss if distance learning is right for you by calling 908.835.2300

To enroll, go to www.getrave.com/login/warren and enter the requested information. To activate your registration, you may be directed to a link you receive in your email account or enter a code received by you via text message. Please visit the College's website for more information on RAVE, security and the College's annual security report at www.warren.edu

F.E.R.P.A.

College students are considered adults under [F.E.R.P.A.](#) and therefore determine who will receive information about them. Student academic information such as grades or academic standing (GPA, academic transcript, etc.) will be given to the student, regardless of age or financial situation. Students may opt to release information in writing to parents or other individuals as specified.

If you have questions concerning F.E.R.P.A. or the WCCC policies on collection, retention and dissemination of student records, contact the Office of Student Services at 908-835-2300 or e-mail the Registrar at registrar@warren.edu.

Financial Aid

WCCC participates in federal and state financial aid programs that help remove the economic barriers that may prevent a student from attending college. There are three basic types of financial assistance:

- Grants (including scholarships) – funds that do not have to be repaid.
- Loans – funds that have to be repaid with interest.
- Work-study – employment on campus to earn money to help pay for educational expenses.

The Financial Aid Office is located in Student Services (Room 117) on the first floor of the College's main building. This office is open Monday through Friday 9AM–5PM. Alternatively, you may contact the Financial Aid Office at (908) 835.2396 or via email at finaid@warren.edu.

Student Eligibility and Requirements

To receive financial assistance, a student must meet the following conditions: complete the FAFSA application; have financial need; have a high school diploma or GED; be registered for classes at WCCC; working toward a degree in an eligible program; be a US Citizen or eligible non-citizen; maintain Satisfactory Academic Progress (SAP) (see below “Satisfactory Academic Progress policy); not be in default of a Federal student loan; be register with the Selective Service, as required.

The Financial Aid Application Process

WCCC encourages all students to file for financial aid, even if you think you may not qualify. The FAFSA application is free and should be done as early as possible before the semester begins so that financial assistance can be in place prior to the payment due date. You must apply annually for assistance. See filing information below:

1. Apply for a FSA User ID and password from the Department of Education at <https://studentaid.ed.gov/sa/fafsa/filling-out/fsaid>. Parents of dependent students must also apply for the FSA User ID and password separately from the student.
2. Complete and submit the Free Application for Federal Student Aid (FAFSA) or the renewal FAFSA at <http://www.fafsa.gov>. WCCC's Federal School Code is 016857. There is also a Spanish version of the FAFSA available at https://fafsa.ed.gov/es_ES.
3. Once you have registered for classes, you will receive information on how to view the status of your financial aid on WCCC's Easy Access Grant Loan Entry (EAGLE) System. Your financial aid award is posted on

EAGLE in lieu of an award letter. EAGLE also allows you to track your aid status and has links to download forms and other information.

4. You may be asked to submit additional information to complete the application process. Sometimes this is in the form of additional financial information. Please provide any requested information to WCCC's Financial Aid Office as soon as possible. Your financial aid award will not be processed until your application is complete.
5. To receive notification of your financial aid eligibility by the semester payment deadlines, please complete the FAFSA by the following dates:

<u>Semester</u>	<u>Application due by</u>
Fall	July 1 (prior to fall semester)
Spring	November 1 (prior to spring semester)
Summer	May 1 (prior to summer semester)

State of New Jersey (HESAA) – April 15 – NJ TAG Grant Deadline

Students who apply after these dates may have to make payment or enter a payment plan with the College. Therefore, it is very important to complete your FAFSA as early as possible. For more general assistance with the FAFSA process, please go to the federal link "Help with Completing the FAFSA" (<https://fafsa.ed.gov/help.htm>).

Award Notification

A student is considered for financial assistance once he/she has been admitted to WCCC, has registered for at least 6 credits, and has successfully all required financial aid documents. Eligible students will be notified of their award via the EAGLE system. Awarded financial aid is credited to the student's account each semester, with the exception of Federal Work-Study, which is paid biweekly to the student. Please report any outside scholarships, employer reimbursements or other educational support to the Financial Aid Office as soon as possible. Some students may receive assistance in excess of their college cost (tuition, fees and books). The portion that exceeds the college costs will be issued to the student after the tenth week of classes accordingly.

Satisfactory Academic Progress

Each semester a student must meet qualitative and quantitative standards of academic progress to remain eligible for financial aid. This is referenced to as making Satisfactory Academic Progress (SAP). This means that a student must meet a minimum GPA and also be making appropriate credit progression toward a degree. Please see the Financial Aid Office or visit the Financial Aid "Quicklink" under <http://www.warren.edu/student-eligibility-requirements/> for more information on academic expectations.

Refund of Unearned Financial Aid and Repayment Policy

Students who withdraw from school or stop regular attendance will have their financial aid award adjusted according to federal and state regulations. If a student officially or unofficially withdraws, the financial aid will be adjusted, and any unearned funds will be returned by WCCC to the appropriate federal or state funding source. Students will be held responsible for any amounts due to the College as a result of the return of these funds.

Rights and Responsibilities

Students accepting financial aid have certain rights and responsibilities and must comply with any rules, regulations and conditions governing such awards. Failure to read the WCCC Catalog, WCCC Student Handbook, Financial Aid Applications or any other publication pertaining to financial aid does not excuse the student from compliance. Further information regarding rights and responsibilities may be obtained in the Student Services Office.

ID Cards

All students are normally required to obtain a WCCC student ID card. To obtain a student ID card, a current printed schedule and an additional form of identification is required. When the Library is closed and library services are provided to students remotely, students will not be issued ID cards. Rather, we ask that students carry other forms of photo identification, such as a driver's license or high school identification card, when on campus.

Immunization Requirements

The State of New Jersey requires that all full-time, degree-seeking students attending New Jersey colleges be immunized or provide proof of exemption for the following: two doses of measles-containing vaccine, one dose of live mumps virus vaccine, one dose of live rubella virus vaccine one dose of Hepatitis B, and a Meningitis vaccination. In accordance with the law, degree-seeking students will not be allowed to register beyond their first semester if they have not completed the New Jersey immunization requirement.

Students born prior to 1957 will be exempt from the measles, mumps and rubella vaccine requirement after submitting proof of age. Students may also be exempt from all immunization requirements by submitting a written statement explaining how immunization conflicts with your religious beliefs. Lastly, if there is a medical reason that you cannot be immunized, you may be exempt from the immunization requirements by submitting a letter from a physician explaining your medical condition.

Incomplete Grades

An “I” grade may be given when a student is unable to complete course requirements due to illness or circumstances beyond the control of the student. A student wishing to petition for an “I” grade in a course must provide the instructor with a written explanation as to why an incomplete grade is justified. If an “I” grade is approved, all incomplete work must be made up 30 days after the end of the semester. An “I” grade which has not been changed by the end of this period automatically becomes an “F”. All responsibility for the elimination of an incomplete grade I entirely with the student.

Instructional Support Center

The ISC offers instructional support to students experiencing academic challenges or wishing to improve academically. Tutoring services are available for course(s) in which students are currently enrolled and are free of charge to all WCCC students. Intimidation & Bullying Policy

The College maintains a strict policy prohibiting intimidation, or bullying. This policy applies to all students at the College. In accordance with 18A:3B-68, the College defines intimidation and bullying as any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by any actual or perceived

characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic, that takes place on the property of the College or at any function sponsored by the College, or by electronic means at or away from the College, that substantially disrupts or interferes with the orderly operation of the institution or the rights of other students and that such action/behaviors:

- as a reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming another student or damaging another student's property, or placing another student in reasonable fear of physical or emotional harm to his/her person or damage to his/her property;
- have the effect of insulting or demeaning any student or group of students in such a way as to cause disruption in, or interference with, the orderly operation of the College; or
- create a hostile educational environment for other students at the College; or
- infringe on the rights of other students at the College by
- interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

Students who engage in prohibited intimidation or bullying are subject to disciplinary action, up to and including possible expulsion from any academic or continuing education program, the College, and all its events and activities. All reports of intimidation or bullying should be reported to the Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer /Title IX Coordinator.

Library

The WCCC Library is an essential academic resource where you can get help for all research. Library materials include a book collection that supports the College's curricula; an extensive collection of electronic full-text databases that can be accessed both on and off campus; and DVDs. The Library's computers are available to any student during hours of operation. In addition, the Library staff provides a wide variety of information services, including reference, interlibrary loan, and information literacy training for classes and/or individual users. The Library is open Monday through Friday and closed Saturday and Sunday. For information regarding hours of operation, please see the Library's website at warren.libguides.com/. Please contact us at 908-835-2336 or wccclibrary@warren.edu if you have any questions about the Library's services, electronic databases/collections, policies, or hours of operation outside of the regular semesters.

Lost and Found

The front security desk serves as the College's main Lost and Found. The security desk will maintain lost items for one month. Students should report all lost items immediately upon discovery.

Missing Person Policy

Consistent with the Higher Education Opportunity Act of 2008, the Board of Trustees has a policy and procedure in place to handle reported missing persons (Policy 514.5). Anyone seeking to report a missing person should contact the Coordinator of Campus Safety at (908) 835-2465.

MY WARREN

MY WARREN is the College's web portal. Each student is assigned a MY WARREN account upon application to the College. MY WARREN can be used to view semester schedules, check mid-term and final grades, register for future semesters, check on degree progress, access distance learning classes, view your business account and make payments online. Students making satisfactory academic progress may also use MY WARREN to register for subsequent semester courses. Please contact Student Services at StudentServices@warren.edu or (908) 835-2300 for additional information on this system.

Parking Permits

Parking permits are required to be displayed for all vehicles parked in the WCCC parking lot. When the Library is open for in-person services, students should visit the Library to obtain a parking permit.

Payment

Payment is due on the date indicated on your tuition invoice. Failure to make payment in a timely manner may result in your classes being dropped and additional charges assessed for the reinstatement of classes. Students who register for classes after the invoice due date must make payment arrangements with the Business Office by 5:00 pm the next business day. For more information on payment matters, including payment plan options, please contact the Business Office at (908) 835-2328 or businessoffice@warren.edu.

Students who find it necessary to drop or withdraw from a course may be entitled to a refund of tuition and fees if they meet the following criteria:

- 100% tuition and fee credit are granted to any student who drops a class(es) prior to the first day of the semester.
- Tuition and fee credit of 80% are provided during the first week of classes.
- Tuition and fee credit of 50% are provided during the second week.
- Condensed semesters (PowerPack, summer, etc.) will have a condensed drop period. Please refer to the semester specific academic calendar for these time frames.
- No refund is granted after the first two weeks of classes; however, students may still withdraw from classes without academic penalty in accordance with the deadline published in the academic calendar.

- A student who is removed from the College for disciplinary reasons will receive no refund of tuition or fees.

See the Academic Calendar for specific dates for refunds.

Repeat Grade Policy

Any credit-bearing course taken at WCCC may be repeated by enrolling in the same course during a future semester.

When a course is repeated, the highest grade earned will be computed into the cumulative quality point average. The original grade(s) will continue to appear on the transcript marked as a repeated grade but will not be included in QPA computations.

Students may retake a course more than once. However, if they have successfully completed the course with a passing grade, they are only eligible to repeat a course once using federal financial aid. Students should contact the Financial Aid Office to determine financial aid eligibility for repeated courses.

Security of Financial Information

Consistent with various federal and state guidelines, the Board of Trustees has a policy and procedures in place to secure student financial information (Policy 501.6). Anyone seeking to report any concerns about possible misuse of financial information or who believes that they may be a victim of identity theft should contact the Vice President of Finance and Operations at pratt@warren.edu.

Service and Support Animals

Warren County Community College limits the presence of privately-owned animals on campus to service animals trained to perform work or tasks for an individual with a disability, as described under the ADA. It is the policy of the College to afford individuals requiring a service animal equal access to College property, programs, and activities in accordance with the ADA. Definitions and Terms:

Service Animal: Under the ADA, a “service animal” is defined as a dog that has been individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person’s disability, including a physical, sensory, psychiatric, intellectual, or other mental disability.

Handler: The disabled individual having an interest in or right of possession to a service animal, or any person having control, custody, or possession of a service animal.

Therapy Animal: A therapy animal is an animal that provides emotional support or comfort that alleviates one or more of the

identified symptoms or effects of a disability. A therapy animal is not a service animal under this policy. Therapy animals may qualify as a reasonable accommodation for a disabled individual and are only permitted at the discretion of the College. Access for therapy animals is evaluated similar to any other request for accommodation and should be directed to the VP of Student Services to discuss whether the use of a therapy animal is permissible on campus.

Service Animals on College Property

1) Where is the Service Animal Permitted

Title III prohibits discrimination on the basis of disability in the activities of places of public accommodation, including the College. Accordingly, the College generally permits the use of a service animal by any individual with a disability. Handlers of service animals are permitted to be accompanied by their service animal in all areas of the College property where the owner is allowed to go. Such areas include public areas, public events, and areas where public activities are held.

2) Permitted Inquiries

College personnel shall permit service animal access to an event or activity with its owner when it is readily apparent that the animal is trained to do work or perform tasks for its owner.

Example: A Seeing Eye dog aiding a blind individual; a dog assisting an individual in a wheelchair.

If the need for the service animal is not readily apparent, personnel may only ask the following of service animal owners:

- Whether the service animal is required because of a disability; and
- What task the animal has been trained to perform for the individual.

If the owner states that the animal is required because of a disability and that the animal has been trained to do work or a task for the owner, then the service animal shall be admitted.

Examples of work or tasks include, but are not limited to, assisting individuals who are blind or have low vision with navigation and other tasks, alerting individuals who are deaf or hard of hearing to the presence of people or sounds, providing non-violent protection or rescue work, pulling a wheelchair, assisting an individual during a seizure, alerting individuals to the presence of allergens, retrieving items such as medicine or the telephone, providing physical support and assistance with balance and stability to individuals with mobility disabilities, and helping persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors.

The crime deterrent effects of an animal's presence and the provision of emotional support, well-being, comfort, or companionship do not constitute work or tasks for the purposes of this definition.

Service animal owners must not be asked about the nature of their disability or for medical documentation of it. The College shall not require documentation, such as proof that the animal has been certified, trained, or licensed as a service animal.

Handler Responsibilities and Removal

The handler may take the service animal onto College property subject to Section 5.1. However, the College may request that the service animal be removed from College property when:

- a) The animal is out of control and the animal's handler does not take effective action to control it; Or
- b) The animal is not housebroken.

Further, a service animal shall be under the control of its handler. The College is NOT responsible for the care or supervision of a service animal. The handler is tasked with the following regarding service animals:

- A service animal shall have a harness, leash, or other tether, unless either the handler is unable because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or other tether would interfere with the service animal's performance of work or tasks, in which case the service animal must be otherwise under the handler's control (e.g., voice control, signals, or other effective means).
- Ensure the service animal does not disturb or disrupt normal College functions;
- Immediately clean up after the service animal and properly dispose of the service animal's waste or other debris in accordance with all applicable local and state laws.
- The service animal must be vaccinated and licensed as required by state law and/or local ordinance

Under New Jersey law, a person with a disability who has a service or guide dog in his possession shall be liable for any damages done to the premises of a public facility by such dog. See N.J.S.A. 10:5- 29(c).

Title I (Employment Accommodation)

Title I of the ADA governs the use of a service or therapy animal by employees. Pursuant to Title I of the ADA, the College will consider all employee requests for the use of a service or therapy animal as a reasonable accommodation to an employee's disability. All persons who require the use of a service or therapy animal in the

workplace must make a request for an accommodation in accordance with the College's policy on Reasonable Accommodations in the workplace.

Any service or therapy animal shall be under the control of the employee handler. The College is NOT responsible for the care or supervision of a service or therapy animal.

Students' Rights, Responsibilities & Academic Conduct

The primary responsibility of the College community is to create conditions that provide beneficial educational experiences and an atmosphere of civility for the rights and opinions of individuals or groups as long as such expression does not infringe upon the rights of others. The purpose of the statement is to list the provisions necessary to secure and respect conditions conducive to the freedom to learn.

Standards of Academic Conduct

- A. Students are expected to attend every class meeting.
- B. Students are expected to be prepared for every class meeting and to make up any missed assignments.
- C. Students are obligated to extend to one another and to faculty civility and courtesy as members of the College community.
- D. Students have an obligation to conduct their academic activities honestly and conscientiously. They should:
 - 1. Follow the content and procedures as outlined in the course syllabus.
 - 2. Receive grades based on fair, unbiased evaluation instruments without regard to race, color, sex, sexual orientation, religion, age, military status, national origin, disability, marital status, or other protected classification.
 - 3. Submit work on time as determined by the instructor.
 - 4. Give appropriate recognition by name for their contributions to published materials. See course syllabi for specific policy on plagiarism.
 - 5. Respect the confidentiality of information regarding other students that is contained in any college records. Such information shall not be released, except by the College Registrar with the student's consent, or as otherwise required by law.
 - 6. Refrain from reference during examinations or other academic evaluative processes to other individuals or materials not authorized by the instructor.

In addition, they shall not:

7. Possess, purchase, sell, or use any materials intended to be part of or the whole of an examination or other evaluation process unless authorized to do so by the instructor.
8. Act as substitutes for other students in any evaluative process.
9. Avail themselves of aid in any manner expressly prohibited by the instructor in the research, preparation, creating, writing, or performing of work to be submitted for academic credit or evaluation.
10. Aid other students in a manner expressly prohibited by the instructor in the research, preparation, creating, writing, or performing of work to be submitted for academic credit or evaluation.
11. Present as their own academic work ideas or work of another person without proper acknowledgment of sources.

Violation of these rules can lead to a failure for a course and/or expulsion from the College.

Academic Appeals Procedure

The WCCC Statement of Rights and Responsibilities is an outline of the minimum expectations necessary to maintain a quality learning environment. It is expected that whenever a disagreement arises, both parties will attempt to solve their differences informally before recourse to the grievance procedure. The following is the exclusive procedure for all student grievances:

If a grievance is academic in nature, involving conduct within the classroom or pertaining directly to the learning experience (for example, complaints about instructors, courses, grades or requirements), the following steps must be taken:

1. If a complaint is of a sexual, discriminatory or harassment nature, it must be immediately referred to Human Resources. It will follow the procedures specified in Board policy 201.2.
2. As related to all other academic complaints, the student should make every possible effort to resolve an academic complaint by discussing it with the instructor or other people directly concerned.
3. Complaints not settled between the student and instructor shall be forwarded in writing to the appropriate Vice President or designee within thirty (30) calendar days of the close of the semester in which the issue is reported. For credit bearing programs, the appropriate Vice President is the Vice President of Academic Affairs. For continuing education programs, the appropriate Vice President is the Vice President of Corporate and Continuing Education.

“Close of the semester” shall mean the date the grade was submitted for the course.

4. The Vice President will consult the instructor before giving the student an informal judgment or may advise the student on an alternate strategy to handle the matter. The Vice President will respond to the student within seven (7) working days. A “working day” is a day the College is open for regular business.
5. Complaints not resolved between the student and Vice President shall be submitted in writing to the President within fourteen (14) working days after decision by the appropriate Vice President is delivered. The President will meet with the student to review the complaint and write a response within four weeks of the date the complaint is received by the President. The President will review the matter and render a final decision. The decision will be in written form and will become part of the student’s record, as appropriate.

Standards of Community Conduct

The following standards and regulations are designed to protect the rights, privileges and property of all individuals associated with the College. Misconduct in any of these categories is subject to disciplinary action.

- A. Any and all laws of the State of New Jersey, County of Warren, and Township of Washington that provide for the protection of persons; for the protection of personal, real or public property, or provide for the regulation of motor vehicles, shall apply and be in effect on College property and such laws shall be strictly enforced.
- B. Students who violate the law may incur penalties prescribed by civil authorities, but College authority is never used merely to duplicate the function of general laws. Only where the interest of the College as an academic community is distinctly and clearly involved will the authority of the College be asserted.
- C. The campus shall regularly be open and available for use by the public daily, including designated hours during the weekend.
 - 1) No one will be permitted into any classroom, office, library, building or campus grounds before opening time or after closing time without proper authorization.

 - 3) The schedule and regulation shall be in effect unless special conditions exist. Notice of the special conditions and scheduled changes shall be given by the President or his designated agent.
- D. Use, possession, manufacture, distribution or sale of illegal or controlled substances (as defined by federal, state and local statutes) on College property or at College sponsored events is prohibited.

Disciplinary action against student organizations is separate from actions taken against individuals. Facts of an incident may necessitate action against both a student organization and the individual members of that organization who were found to have violated College policy.
- Y. Obstructing the free flow of pedestrian or vehicular traffic on or adjacent to College premises or at College events is prohibited.
- Z. Students are required to comply with the reasonable and lawful directions of College officials and College security.

- BB. Violating other published College regulations or policies.

Non-Academic Conduct Grievance Procedure

If a grievance is non-academic in nature (all matters that are not related directly and specifically to academic concerns) and cannot be resolved informally between the parties involved, the grievant may request that the Vice President of Student Services take action to resolve the matter. If the complaint is of a sexual, discriminatory or harassment nature, it must be immediately referred to Human Resources. Academic matters must go to the Vice President of Academics.

In developing responsible student conduct, disciplinary proceedings play a substantially secondary role to informal resolution including counseling, guidance and admonition. At the same time, the College has a duty and the corollary disciplinary powers to protect its educational purpose through the setting of standards of scholarship and conduct for its students and through regulation of the use of college facilities. In the exceptional circumstances when the preferred means fail to resolve problems of student conduct, procedural safeguards are provided to protect the student from unfair imposition of serious penalty. In all situations, procedural fair play requires that the student be informed of the nature of the charges against him/her and that s/he be given a fair opportunity to refute them.

The Vice President of Student Services has responsibility for non-academic discipline of students enrolled at the College. The Vice President of Student Services is authorized to take disciplinary action when a student violates the *College Standards of Community Conduct*, standards that govern acceptable behavior while present on College-owned facilities and properties or at College-sponsored events.

Any member of the College community who observes a student in such violation is to inform the Vice President of Student Services and submit a written statement. The Vice President of Student Services will initiate an informal investigation of the reported violation, in which case the facts regarding the student's conduct will be reviewed, resolution of the problem determined and a decision rendered. If a student is found to have committed an offense, appropriate disciplinary measures will be imposed by the Vice President of Student Services. The student will be informed in writing of the charges and related evidence, the decision rendered, and the right to a formal hearing before the Student Review Hearing Board.

1. Non-Academic Disciplinary Sanctions

Any of the following measures can be imposed on a student for violation(s) of the *College Standards of Community Conduct*, depending on the severity of the violation. Notices of disciplinary action taken will be filed in the student's records. The notice will be removed when the terms of the sanction are fulfilled, or at the end of the semester following the ruling. In cases where the decision involves separation from the College, the Vice President for Finance and Operations and the President will be notified and the notification will be filed permanently in the student's record.

a. *Reprimand*

The student will receive verbal and/or written notice of infractions of specified standards of conduct and warning that future misconduct will result in more severe disciplinary actions.

b. *Restitution*

The student will be held accountable for College property that s/he has damaged or destroyed, removed and not returned.

c. *Probation*

The student will be subject to a time period of restrictions after which institutional authorities will determine if his/her behavior has improved. During this time, the student will not be permitted to represent the College in any activity or run for or hold any office in a student group or organization. Additional restrictions or conditions may also be imposed. Notification will be sent to appropriate college offices.

d. *Withdrawal*

The student will be given the opportunity to withdraw from the institution and no entry will be made in his/her official records other than withdrawal. S/he may return to school at the end of the time period as specified in writing.

e. Temporary Interim Suspension

The student will be suspended immediately and temporarily pending hearing. Temporary interim suspension shall become immediately effective without prior notice whenever there is evidence that the continued presence of the student on the College campus poses a substantial threat to him/herself or to others or to the stability and continuance of normal college functions.

A student suspended on a temporary interim basis shall be given an opportunity to appear personally before the Vice President of Student Services or a designee within five school days from the effective date of the temporary interim suspension. A hearing shall then be held on the following issues only:

- The reliability of the information concerning the student's conduct, including the matter of his/her identity.
- Whether the conduct and surrounding circumstances reasonably indicate that the continued presence of the student on the College campus poses a substantial threat to him/herself or to others or to the stability and continuance of normal college functions.

f. Suspension

The student will be dismissed from the College for a specified period not to exceed one year. Suspension can result in expulsion if terms of the suspension are violated.

g. Expulsion

The student will be permanently dismissed from the College.

h. Other Disciplinary Sanctions

Other sanctions may be imposed instead of /or in addition to a. through e., including work or counseling.

2. Student Review Hearing Procedures for Non-academic Matters

The purpose of the Student Review Hearing Board (Review Board) is to assist WCCC institutional authorities to arrive at a decision and resolution regarding student behavior that has been reported to be in violation of WCCC Standards of Community Conduct. A student has the option to select to have a hearing before the Review Board.

After receipt of written decision from the Vice President of Student Services regarding the matter, the student may choose to exercise the right to a hearing before the Review Board. To do so, s/he must submit a written request to the Vice President of Student Services within seven (7) school days from the date that the Vice President of Student Services issued his/her written decision. The Vice President of Student Services shall

forward to the student within seven (7) school days of receipt of the student's request, a written statement that includes the charged infraction and related evidence, time and place of the hearing, and rights of the student to representation. "School days" are days that classes are in session and does not include interterm, spring or holiday breaks. The Review Board shall only meet on school days.

The Student Review Hearing Board will consist of seven (7) members including three faculty or teaching administrators, two students and two administrators, appointed by the Vice President of Finance and Operations. The Review Board will assume responsibility for its procedural operation that will include appointing a chair and secretary. The Review Board will execute the proceedings insuring fairness, truth, justice and due process. The Board will render a judgment in writing to the Vice President of Finance and Operations for final action.

The following structure will be used in these proceedings:

- a. A hearing must be held no sooner than (14) fourteen days or later than thirty days after the request has been received. The Vice President of Student Services shall notify all parties of the time/place for the hearing and will provide all parties with a copy of the written charge.
- b. The hearing is meant to be a non-adversarial proceeding. Parties to the hearing may invite witnesses, advisors and/or personal legal counsel to be present. It is important to note that review hearings are informal in nature and aimed at providing due process. Review hearings are not to be construed as court proceedings. Legal advisors may not participate in the hearing except to advise their clients.
- c. Having heard evidence and asked questions, the Review Board will meet in closed session to render a decision. The decision will be based only on the evidence presented in the hearing. A majority vote by the board is required to render a decision.
- d. Review Board decisions must be provided in writing to the Vice President of Finance and Operations. The Vice President of Finance and Operations will direct the Vice President of Student Services to notify the student and other parties in writing of the Review Board's decision within ten days of the hearing date. If the decision involves suspension or dismissal from the College, the President will be notified.

The Review Board's decision will be final unless within seven (7) school days after receipt of the decision, either party files a letter with the Vice President of Finance and Operations, requesting an appeal of the Board's decision. Appeal of the Board's decision will be reviewed by the President, whose decision will be final.

Technology Use Policy

Technology resources are valuable, and their abuse can have a far-reaching negative impact on the entire campus. The same standards that apply in the noncomputing environment apply in the computing environment. In providing computing resources, WCCC has the responsibility to inform its users (faculty, staff, and students) of the rules and procedures regarding their usage. Users are responsible for understanding these rules so that they can abide by them.

Policies regarding conduct generally address issues such as treatment of other individuals, theft, destruction of property or vandalism, and access (i.e. who can use what and when). The WCCC Technology Use Policy is intended to address these elements as they relate to the evolving landscape of computing, network, and information resources. Because technology changes so quickly, no policy dealing with it can hope to remain current in all its details. The policies delineated here should be considered examples, and not an exhaustive list of prohibited behavior. Unauthorized use has two meanings regarding technology issues. First, it can mean that an individual is not authorized to use a machine, network, or other resource, for any purpose. Second, it can mean that although an individual is authorized to use a particular resource, certain activities are prohibited.

As with all other organizations, standard, responsible systems administration requires close monitoring by WCCC network administrators of the usage of College information systems. E-mail is not guaranteed to be private or confidential. All electronic communications are College property. When necessary to investigate violations of these and other College policies, the College will examine the contents of "personal" directories, e-mail folders, and other resources accessible to users. Such examinations are not done frivolously. They are conducted only by the Office of Information Technology, under the direction of the Vice President of Finance and Operations, unless directly ordered otherwise by the College President.

I. Introduction

It is essential for all users to practice ethical behavior in their use of technology resources since they have access to many valuable resources and their computing practices can adversely affect the work of other users. Most users act responsibly, but the few who do not, either through ignorance or by intent, have the potential for disrupting all users' work. Warren County Community College (WCCC) has the responsibility of securing all technology systems to a reasonable and economically feasible degree against unauthorized access while making systems accessible for legitimate and innovative uses. This responsibility includes informing users of an expected standard of conduct and the punitive measures for not adhering to them.

The following list constitutes a code of technology practice for users. Disciplinary action for violating the code shall be governed by the applicable provisions. Violations may also result in criminal prosecution under State and/or Federal law. Every student,

employee, instructor, or other person using the College's information technology systems agrees to abide by the tenets set forth in the following policy.

II. Access

- A. Users may only use network accounts that have been authorized for their use.
- B. Users must identify work produced through technology with their own names so that responsibility for the work can be determined and users can be contacted in unusual situations, e.g., the return of misplaced output.
- C. Users must use their network accounts solely for the purposes for which they were authorized.
- D. Users must not attempt to modify WCCC technology equipment or resources.
- E. Users must not attempt to subvert the restrictions associated with their computer accounts.
- F. The College has password protocols established to ensure that each user has a unique password when an account is set up as well as a self-service password system to assist students. Users are responsible for the usage of their computer accounts. Users are required to maintain secure passwords for systems that support them and take precautions against others obtaining access to their computer resources. Each user is responsible for all transactions made under the authorization of his or her system account.

III. Use

WCCC's technology resources, including hardware, software, wired and wireless networks, are provided for the use of students, staff, and faculty in fulfilling their needs that relate to the mission of the College. Other usage is prohibited. This includes, but is not limited to:

- A. Unauthorized access of a file to use, read or change the contents, or for any purpose.
- B. Unauthorized transfer of a file.
- C. Unauthorized use of another individual's network account.
- D. Use of WCCC technology resources to interfere with the work of another student, faculty member or College official.
- E. Use of WCCC technology resources to send or receive what may be deemed under the circumstances to be obscene or inappropriate.
- F. Interference with normal operation of the College's network systems or databases.
- G. The utilization of a network access account for the purposes of development and/or utilization of malicious code or viruses. The only exception would be if materials were developed as part of a class

assignment under the explicit direction of a faculty member. This activity must be authorized in advance by the Office of Information Technology.

- H. Solicitation for charity, personal needs, or other organizations/persons without approval of the College.
- I. Activities related to the promotion and/or running of a personal for-profit venture or other activities unrelated to the provision of an undergraduate education.
- J. Using WCCC technology to undertake harassment or behavior that is in violation of the Campus Code of Conduct.
- K. Promoting and sending chain letters, mass mailings or personal advertisements using college technology resources.
- L. Sending electronic communications or email that obscures the identity of the sender, misrepresents the College, or represents the sender as someone else.
- M. Harassing students or employees at the College or other organizations.
- N. Sexual, racial, ethnic, religious or any other harassment of any individual or group of individuals.
- O. Access to websites, listservs, software, and other resources that do not provide a scholarly treatment of pornography, hate speech, or activity, which otherwise would be deemed a violation of existing law. - P. Misuse, intentional damage, or loss of technology equipment owned by WCCC.
- Q. Use of technology equipment without appropriate safeguards to protect sensitive college documents.

- S. Any other uses prohibited by WCCC policies and/or state or federal regulations or statutes.

All electronic communications through the College's network are considered College property. Employees must be aware that certain communications may be considered public and therefore subject to the State's Open Public Records Act. As a result, the College reserves the right to examine, monitor and regulate communications and network usage of employee and student accounts.

The College also reserves the right to manage the technology network, equipment, and infrastructure to ensure that the educational mission of the WCCC can be served. This may mean include the blocking or limiting access and usage of network service to individually paid subscription services or gaming sites.

Nothing above or herein is intended to violate "Academic Freedom." Under "Academic Freedom," material otherwise not appropriate for use on the College's technology or networks will be exempt from this policy. However, the College shall not protect or indemnify employees who access materials that are considered illegal and monitored by law enforcement officials (example: child pornography sites). To avoid any misunderstanding, it is required that any instructor consult with the Academic Vice

President prior to the use of questionable, controversial, or potentially offensive print or digital materials.

IV. Individual Rights, Privileges and Responsibilities

- A. Members of the WCCC community have the right to be free of harassment. Usage of the College's technology systems to violate this basic right is strictly prohibited and will be treated with the utmost gravity.
- B. The College understands that providing network connectivity and advanced technology often facilitates personal and recreational usage of those systems. However, the use of the College's technology systems for activities not directly related to learning (for students) or performing of work duties (for staff and faculty) is a privilege. While these activities are not encouraged, they are tolerated so long as they:
 - 1) do not infringe on the rights of other users to use the College systems for bona fide academic or work-related activities
 - 2) do not interfere with the accomplishment of one's work responsibilities
 - 3) do not violate any other portion of these technology use policies.
- C. The use of the College's wireless infrastructure for the purposes of streaming third- party, non- academic content is strongly discouraged. The College reserves the right to restrict non-academic content to ensure adequate bandwidth for instructional needs. The college offers no guarantee of access to third- party, non- academic content through personal devices. Wireless access privileges may be revoked at any time for failure to comply with any of the above listed requirements.
- D. As a function of accepted and responsible system management, network administrators may conduct examinations of any or all files on the network to monitor compliance with these usage policies and to insure the effective and appropriate functioning of WCCC technology infrastructure.

This is a legal right of the College and any other organization that provides similar systems for the execution of its mission.

- E. The College regards electronic and voice communications as vehicles for the delivery of information and not as mechanisms for the retention or archiving of such information. It is the responsibility of the individual sender and/or receiver of such messages to determine which information should be retained or archived. Records retained by an individual, even if they are retained on an electronic medium, are subject to College policies, State and Federal laws.

V. Software

- A. Warren County Community College licenses the use most of its computer software applications from external vendors. The College does not own this software or its related documentation and, unless authorized by the software developer, does not have the right to reproduce or modify it.
- B. Users agree not to copy, disclose, transfer, or modify, without written permission, any computer software or documentation that the College provides its users. The sole exception to this policy is software clearly marked as belonging to the public domain.
- C. Media containing licensed software and the accompanying documentation is to be used in College office areas, classrooms, and computing labs, and is not to be removed from such designated areas.
- D. All use of software provided by WCCC and all use of the College's computer and telecommunications equipment is subject to vendor license agreements, this policy statement, and applicable Federal and State law. Users agree to comply with all such restrictions.

VI. Secure Device Policy

Warren County Community College issues various types of technology equipment to employees in order to ensure that college services can be effectively provided to students and the Warren County community. This equipment may include workstations, laptop, notebook and tablet computers or other technology devices. Employees issued these devices are permitted to use the equipment off campus solely for work-related activities unless otherwise authorized by the Board of Trustees. Employees must return all equipment upon separation from the College.

College devices intended for students are not intended to leave the campus. However, in an emergency circumstance (such as the COVID-19 pandemic) equipment may be loaned temporarily to students. All users of college owned devices are expected to return devices to the College at the end of a loaner period or the end of an assignment or semester.

In order to best secure student and employee data, all college-owned computing equipment containing confidential or intending to store college data that leaves the college campus shall be protected with encryption technology. The College shall maintain procedures for the securing equipment in accordance with the accepted industry encryption standards.

The College maintains a strict policy prohibiting discrimination or harassment based on sex, including sexual assault and gender identity discrimination in any education program or activity. This policy applies to all employees, students, executives, officers, Trustees, Foundation Directors, independent contractors, visitors to the College and third parties. (Also see policy 201.2 Anti-Harassment) The College will respond to all notices/complaints of discrimination on the basis of sex in any educational program or activity which include locations, events, or circumstances over which the College exercises substantial control over both the respondent and the context in which the sexual harassment occurs. Anyone, who has been the victim of sexual harassment or discrimination regarding a College program or activity should immediately contact the Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer /Title IX Coordinator. All notices/complaints of discrimination as stated above should be directed to the Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer /Title IX Coordinator at 908-835-2356. The office is located in Room 125 on the Washington Campus. If this individual is not available, the notice/complaint should be reported to the Public Safety Coordinator or a College Executive.

Definitions:

Actual knowledge means notice of Title IX violations including sexual harassment or allegations of sexual harassment to the College's Title IX Coordinator or any official of the College who has authority to institute corrective measures on behalf of the College.

Sexual Harassment means conduct on the basis of sex where a College employee conditions education benefits on participation in unwelcome sexual conduct (i.e. quid pro quo); or any individual, as applicable to this policy, demonstrates unwelcome conduct that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the College's education programs or activities; or sexual assault (as defined by the Clery Act), dating

violence, domestic violence, or stalking as defined in the Violence Against Women Act (VAWA). (See policy 309.2).

Complainant is defined as an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Respondent is defined as an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Investigator is defined as the person or persons charged by the College with gathering facts about an alleged violation of this policy, assessing relevance and credibility, evaluating evidence, and compiling this information into an investigation report and file of directly related evidence.

Advisor is defined as a friend, mentor, family member, attorney, or any other individual a party may choose to advise, support, and/or consult with them throughout the resolution process.

Decision-maker is defined as the person who has decision-making and sanctioning authority within the College's formal grievance process.

Formal Complaint is defined as a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the College investigate the allegations of sexual harassment.

Supportive Measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge, to the complainant or respondent, before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the College's education programs or activities, without unreasonable burdening the other party; protect the safety of all parties and the College's educational environment; and deter sexual harassment. Supportive measures can include advising, course-related adjustments, modifications of work or class schedule, campus escort services, increased security & monitoring of certain areas of campus, and mutual restrictions on contact between the parties.

Finding is a conclusion by preponderance of evidence that the conduct did or did not occur as alleged.

Final Determination is a conclusion by preponderance of evidence that the alleged conduct occurred and whether it did or did not violate policy.

Reporting a Title IX Complaint

Students or members of the community should report a Title IX claim or allegation directly to the Director of Human Resources/Title IX Coordinator & AA/EOE

Compliance Officer /Title IX Coordinator at (908) 835-2356. The office is located in Room 125 on the Washington campus.

Should students or members of the community report a Title IX complaint to a WCCC employee or contractor, that individual has an obligation to immediately report the matter to the Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer /Title IX Coordinator. If this individual is not available, the employee or contractor should report the matter to a College Executive or the Public Safety Coordinator. That individual will gather the initial information and refer the matter to the Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer /Title IX Coordinator for further investigation.

Upon receipt of a Title IX complaint by the Title IX Coordinator, the College will respond promptly, offer supportive measures to the complainant, and begin an investigation.

If there is reason to believe that a student has been sexually assaulted or harassed by another person and the College has sufficient information to file a student conduct referral, action will be taken within the student conduct system, regardless of whether the case is pursued by the victim or under state, criminal, or civil codes.

The Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer /Title IX Coordinator, in conjunction with the Public Safety Coordinator, will lead the investigation for any violations of Title IX. These individuals will use appropriate resources to document and investigate the matter. The College will evaluate all relevant evidence, inculpatory and exculpatory, and avoid credibility determinations based on a person's status as a complainant, respondent or witness.

Once the investigation of a claim is complete, the case will be referred to the Vice President of Student Services for determination of any internal judicial process necessary in the matter. Possible college sanctions for Title IX violations include, but are not limited to: suspension, and/or expulsion from the College. Students found in violation of the College's Sexual Assault/Sexual Violence Policy also may be assigned developmental and educational interventions designed to promote greater awareness, improved decision-making, and to further deter future misconduct.

In instances where there is reasonable cause to believe a student or an employee is an immediate threat to the safety of themselves or other persons or property or is an immediate threat to disrupt essential campus operations, the College shall implement an Interim Suspension of that individual.

Provided that the complaint is not resolved through informal resolution and the final investigation report is shared with the parties, the Title IX Coordinator will refer the matter for a live hearing. At the live hearing, a college appointed Decision-maker will permit each party's Advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Such cross-

examination at the live hearing must be conducted directly, orally and in real time by the party's Advisor only. The Decision-maker will evaluate all relevant evidence and issue a written determination regarding responsibility with findings of fact, conclusions about whether the alleged conduct occurred, rationale for the result as to each allegation, any disciplinary sanctions imposed on the respondent, and whether remedies will be provided to the complainant. This written determination must be sent simultaneously to the parties along with information regarding the appeal process.

All reports of Title IX violations will be treated with confidentiality and respect for the privacy of the reporting individual(s). Information concerning conduct proceedings including the outcome of any conduct hearing related to Title IX shall be available to the victim at the same time the information is provided to the alleged perpetrator.

In addition, retaliation against individuals who report Title IX violations and/or who participate in college conduct hearings will not be tolerated and will be addressed through the College's internal judicial process. Retaliation includes, but is not limited to: intimidation, threats, coercion, and/or discrimination perpetrated directly, indirectly, and/or through third parties, which involves any type of media, social media, email, texting, and/or other electronic communications, etc. Issues of retaliation will be investigated by the Director of Human Resources/Title IX Coordinator & AA/EOE Compliance Officer /Title IX Coordinator. Issues where there are immediate threats made to a person or persons will be immediately referred to Campus Security and local law enforcement.

The judicial policies and procedures are contained in the [College Handbook](#) for further information. For additional questions, and/or special needs, please contact the Office of Student Services at 908-835-2300.

The College will follow a consistent, transparent grievance process for resolving formal complaints of Title IX violations.

The College will treat complainants equitably by providing remedies any time a respondent is found responsible, to maintain the complainant's equal access to education programs and activities.

All notices/complaints of Title IX violations will be treated with confidentiality and respect for the privacy of the reporting individual(s). There will be no retaliation taken against an employee or student solely for being a victim of discrimination or harassment on the basis of sex or reporting such an incident to a College official.

The [Transcript Request Form](#) is must be filled out and then dropped off, mailed, emailed or faxed to (908) 689-5824. If you have any further questions regarding transcripts, please contact the Office of Student Services at (908) 835-2300.

Transfer Planning

The highest credential awarded at a community college is the Associate's degree. If a student's academic goals include the achievement of a Bachelor's degree or higher, it is wise to begin carefully planning. Many students elect to complete general studies or liberal arts coursework at WCCC and transfer these courses into a baccalaureate program at a four-year college/university. This is a very cost- effective way to meet educational goals.

The comprehensive state-wide transfer agreement provides for the seamless transfer of academic credits from a completed Associate of Arts (A.A.) or Associate of Science (A.S.) degree program to a baccalaureate degree program at one of the four-year public colleges and universities in New Jersey.

The following summary highlights the key points of the agreement:

- The law applies to A.A. and A.S. degree graduates only
- Major-to-major transfer will work best under the law
- It is valid only for New Jersey public institutions
- The law does not guarantee admission to the four-year college
- Admission requirements and deadlines set by the four- year college must be adhered to.

Your Responsibilities:

- Choose your WCCC transfer major carefully as parallel majors work best
- Select your transfer school as soon as possible
- Check your transfer school's program requirements
- Satisfy any pre-requisite courses required by the four-year college

Resources:

Some resources to assist you with the transfer process are as follows:

- Transfer Advisor located in Student Services
- The NJ Transfer website www.njtransfer.org
- Your intended transfer college's website and catalog
- Transfer workshops periodically held by the college

This statewide transfer law provides a huge benefit to WCCC graduates. We encourage you to use this new law to your advantage when planning your academic future. Please stop by or call Student Services at (908) 835-2300 if you have any questions.

Students are also able to transfer credits out of state. Students should complete the following steps:

- Identify the institution that offers the program of interest. Check with the Office of Student Services to see which colleges may have special articulation agreements with WCCC or view agreements on our website.
- Obtain a list of required coursework.
- Speak with a transfer counselor at those institutions about transfer admission requirements and the most appropriate program of study to follow at WCCC for transfer into their degree program. Share this information with an advisor at WCCC. Refer to these materials when selecting a major and coursework for each semester.
- Complete a transcript request form, which is available in the Office of Student Services and on the WCCC website.

Such planning can save time and money. It can eliminate worry and anxiety over transferability of credits, and help you prepare better academically for your future. Advisors in the Office of Student Services are available to assist you on a "walk-in" basis Monday through Friday.

Weapons Policy

Warren County Community College prohibits the use or possession of any weapons as defined in N.J.S.A. 2C:39-1 in all campus buildings on all College properties and at all College sponsored events. The prohibition of the use and possession of weapons as defined below applies to students, employees, independent contractors and visitors/members of the public, including those who have a valid permit

to carry a concealed weapon. Violators of this policy may be removed from campus, arrested, expelled, suspended, placed on probation or given a lesser sanction for good cause consistent with due process. Individuals shall be held accountable through the criminal justice system and/or the College judiciary process. Prohibition may not apply to authorized law enforcement personnel pursuant to N.J.S.A. 2C:39-6, if an exemption applies to carry a weapon on campus.

All state and federal statutes and local ordinances regarding the possession of firearms and weapons, including imitation firearms, both legal and illegal apply on all College property and at College-sponsored events and any applicable statutes, laws, regulations and ordinances are hereby incorporated by reference as if set forth here at length. Under New Jersey statute weapons mean, “anything readily capable of lethal use or of inflicting serious bodily injury.” The term includes, but is not limited to: air guns, spring guns or pistols or weapons of a similar nature in which the propelling force is from an elastic band, carbon dioxide, compressed or other gas or vapor, air or compressed air or ignited by compressed air and ejecting a bullet or missile, knives, clubs, night sticks, metal knuckles, firearm silencers, armor piercing ammunition, zip guns, chemical substances, i.e. pepper spray over 3/4 oz. (See N.J.S.A.2C:39-6(i) setting out permissible conditions for carrying chemical substances for personal self-defense).

In accordance with state statute N.J.S.A 2C: 39-5(e)(1), any person who knowingly has in his/her possession any firearm in or upon any part of the buildings and grounds of any college or university, without authorization of the governing officer of the institution is guilty of a crime of the third degree, regardless of whether on possesses a valid permit to carry the firearm or a valid firearms purchaser identification card.

Please see Campus Operations or Campus Security for more details regarding the College’s weapons policy.

Weather Cancellations

When snow, sleet, high wind, or other conditions are considered serious enough to affect personal safety in going from or to classes or College facilities, the College will delay classes, cancel classes or close completely. In these instances, a message will be placed on the main College number (908) 835-2355. WCCC also has an automated emergency alert system (RAVE Alert). Students self-enroll into this system if they are interested in receiving emergency information (including weather closings). Information on RAVE is found on the [website](#) and in the Library.

Note: When a delayed opening is announced, classes beginning after the delayed opening time will meet at their regularly scheduled time. No shifting of class times are done when delayed openings are announced.

WCCC Website

The WCCC website is <http://www.warren.edu>. The website may be used to access email, MY WARREN, the financial aid system (EAGLE) and online classes. The website may also be used to access various forms, including, but not limited to: change of name/address, change of major, transcript request, add/drop, and withdrawal.

Withdrawing from Courses

After the second week of classes, students may withdraw from courses. Students withdrawing beginning the third week of class should consult the Academic Calendar to determine the last day to withdraw without academic penalty, which is typically during the ninth or tenth week of class. Students withdrawing from courses will receive a grade of 'W' on their student record. This grade does not affect the grade point average, but indicates that the student withdrew before an adequate determination of his/her academic progress could be made for that class. Students withdrawing after the withdrawal period will be assigned a withdraw-passing (WP) grade or a withdraw-failing (WF) grade by the instructor. Students who do not drop or withdraw from a class but never attend the class will be assigned a grade of NF (never attended). Students who stop attending class will be assigned a failing (XF) grade. A grade of WF, NF or XF will affect the grade point average exactly as a failing (F) grade.

Students experiencing health or emergency medical problems preventing them from continuing with coursework need to complete and submit a Special Consideration Form available in the Office of Student Services. Additional documentation may be requested. The Special Consideration Committee will determine if the student is eligible to receive a withdraw-medical (WM) grade. This grade does not affect the grade point average but indicates that the student received a medical withdraw before an adequate determination of his/her academic progress could be made for that class. All requests for medical withdrawals and tuition credit will be approved or denied based on the circumstances involved and the supporting documentation from the attending physician. Medical withdrawals must be submitted no more than two semesters beyond the semester in which the student wishes to request a medical withdraw from WCCC. Questions about dropping or withdrawing from classes may be directed to the Office of Student Services at (908) 835-2300. Drop/Add and Withdrawal periods are prorated during the summer session.
